Discrepancy in Admitting Seamen in ISHS, Mumbai

2611. SHRI JIBON ROY: Will the Ministe of SURFACE TRANSPORT be pleased to state:

(a) whether the Indian Sailors Home Society has taken a decision recently to the effect that the Seamen Possessing CDC issued from the ports other than Mumbai are not bring allowed to stay more than 30 days in a calender year in the "Indian Sailors Home Society", Thane Street, Mazjid Bunder, Mumbai; and

(b) if so, the reasons allowing it since the decision goes against the very spirit of the constitution and the uniform welfare of the Indian Seamen?

THE MINISTER OF STATE IN THE MINISTRY OF SURFACE TRANSPORT (DR. DEBENDRA PRADHAN): (a) and (b) Indian Sailors Home Society is a private society registered under Indian Company Act. No grant is given to the Society by Central Government or State Government.

During the 1980s the occupancy of the hostels of the society was low. In order to augment the revenues, the society permitted non-Mumbai registered seamen to stay for more than 30 days. However, since starting of pre-sea training by various Government approved training centres, trainee seamen have been coming to Mumbai and the society is requested to provide accommodation for them. The total capacity of the society is 964 beds whereas Mumbai registered seamen are in excess of 20,000 Society, therefore, decided in its meeting on 28.5.98 that CDCs issued by the Shipping Master, Mumbai and/or seamen registered at the Seamen's Employment Office, Mumbai only shall be permitted to stay in the home/hostel exceeding 30 days. Seamen who are in possession of CDC and/or registration book issued at other Indian ports by the Shipping Master/Employment offices shall only be permitted to stay in the home/hostel not exveeding 30 days in a calender year as a transiting facility.
